

ECIA Strategy on a Page

Who we are:

Our Purpose

Why we exist and what we do

To inform and strengthen national policy, consumer and community understanding, and professional practice in early childhood intervention, ensuring best outcomes for young children with disability or developmental delay and their families.

Our Vision

Where we want to be in 2020

National leadership, driving excellence and innovation in early childhood intervention for children with disability or developmental delay and their families.

Our goals:
These will be our key achievements

Goal 1 Leadership and Representation

ECIA has strong influence and relevance, and is focused, effective and valued for its leadership in ECI.

Goal 2 ECI Practice, Standards & Outcomes

Promote excellence in ECI service delivery

Goal 3 Professional Learning & Services

Provide expert & professional learning in ECI

Goal 4 Connecting & Convening

Facilitate and support effective collaboration

Goal 5 Organisation Effectiveness

Govern effectively efficiently and sustainably

Our enabling strategies: *This is how we shall meet our goals and where we shall allocate resources*
